Office of Health Policy Teams Up With Physicians' Online

David B. Nash, MD, MBA, Director of the Office of Health Policy and Clinical Outcomes, has been named editor-in-chief of the Physicians' Online (POL) monthly newsletter. Owned and operated by Cybear, POL is the largest online community of physicians in the United States, with over 250,000 registered members. In addition to the newsletter, POL provides access to up-to-date and comprehensive medical and non-medical resources, as well as direct links to associations, health plans, pharmaceutical sponsors and health care organizations. POL members can also use private discussion groups, forums and email to consult and exchange information with their colleagues.

POL membership is open to U.S. physicians, physicians-in-training and medical students. To register, visit the POL web site at www.pol.net.
